COMPUTER ASSOCIATES (CA) APPLICATION PROGRAMMING INTERFACE (API) GATEWAY APPLICATION LAYER GATEWAY (ALG) STIG REVISION HISTORY

Version 1, Release 2

28 April 2017

Developed by DISA for the DoD

REVISION HISTORY			
Revision Number	**Document Revised**	**Description of Change**	**Release Date**
V1R2	CA API Gateway ALG STIG	- Modified V-71325 to update the "if" statement in the Fix text. Change to "If the "security.fips.enabled" property is not listed or is set to false this is a finding." It previously said True which was technically inaccurate.	28 April 2017
